

PET GUIDELINES

- * Prior approval of all pets is required. We are sorry but due to insurance/liability, we cannot accept Pitt Bulls or other types of possibly vicious or potentially dangerous pets. We require that you provide what type, breed, and size of your pet. There is a maximum of (1) one pet per guest room. Some exceptions may apply.
- * **Charges for pets: A \$100.00 deposit is required per pet, per room for the first night stay including a non-refundable charge of \$35.00 per pet.** The remaining \$65.00 is fully refundable 24-hours after departure providing the room is found to be in the same excellent condition as when first occupied. In the event there is excessive damage to the guest room, the pet owner will be responsible for any/all charges incurred to restore the damaged property to its original condition.
- * Please ensure your pet socializes well with other people and is comfortable in a busy downtown environment.
- * **All pets must be housebroken and preferably over the age of 1 year.** Pets must be accustomed to eliminating on non-grassy areas as there are no grass patches in downtown to access. Elimination must be done in "mulch" beds in an adjoining parking lot or on concrete. Guests are required to clean up after their own pets and dispose of it properly. (trash receptacles are available outside surrounding the parking lot).
- * **Excessive barking or other noises will not be tolerated in the hotel or guest room.** If barking or other bad habits become apparent, and the hotel management receives a "noise complaint", your pet will be removed from the room and a \$75.00 fee will be assessed for compensation for the complaint. Additionally, if the owner is not fully responsive in rectifying the noise issue, the pet owners may be asked to fine alternative accommodations.
- * **Pets must not be left alone in the guest room.** Please place your pet in its crate or the appropriate container while you are away from the room.
- * Pets are required to have all up-to-date vaccinations and be on a flea & tick program.
- * **Pets are required to be on a leash at all times when in public areas within the hotel or outside the hotel. Pets are not allowed in areas where food or beverage is served.**
