THE ULTIMATE WEDDING RETREAT

BRIDAL SUITE

Unwind in refined comfort within your private sanctuary. Thoughtfully designed for pre-wedding preparations and post-celebration relaxation, the suite features elegant furnishings, premium amenities, and sweeping views of Singapore's skyline.

The bridal suite is enhanced with meaningful "Double Happiness" décor elements symbolising joy, harmony, and marital bliss. As couples often spend their first night together in the suite rather than their own home, the space is styled to feel like a "home away from home". Traditionally, this auspicious décor is used in the couple's bedroom, bringing a familiar sense of warmth and celebration to this special milestone.

WEDDING BUTLER

SEAMLESS, STRESS-FREE
PLANNING

Your dedicated Wedding Butler is with you every step of the way, beginning preparations ahead of your arrival to confirm every detail and preference. As your single point of contact, the Wedding Butler coordinates seamlessly with all teams to ensure a flawless celebration, anticipating your needs and managing last-minute touches so every moment unfolds with ease and perfection.
